

Siyaram's

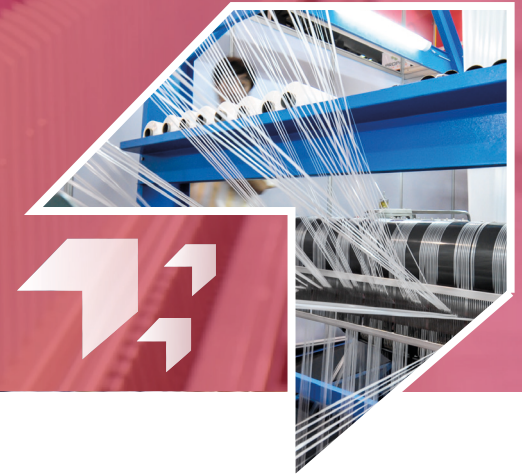

CASE STUDY

About - Siyaram Silk Mills Ltd.

Siyaram Silk Mills Ltd. is the largest producer of blended high fashion suiting's shirtings and apparel. The leader in business for over 3 decades selling over 80 million meters of fabric per annum with an unparalleled network of a large number of dealers' & retailers' network Pan India.

Siyaram's Silk Mills Limited is an ISO 9001:2008 certified company, that is committed to creating world-class fabrics for fashion-forward trend-setters. For four decades now, its bespoke men's wear fashion has been synonymous with high quality, continuous innovation and iconic futuristic designs which are local at heart and international in appeal.

Siyaram's belief in providing value to its customers is the reason behind its having the widest range of latest machinery in its plants at Tarapur, Silvassa, Daman, Amravati and Bhiwandi.

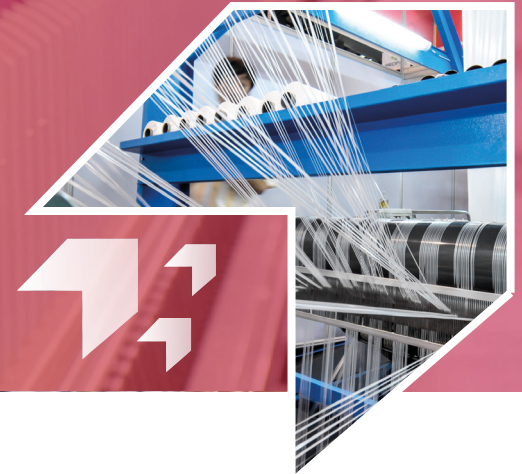

Experience and benefits received after migrating to NxtGen¹

- Siyaram has experienced improved uptime after migrating its ERP servers to the NxtGen datacenter.
- With the availability of skilled manpower, continuous technical support & routine maintenance activities were carried out in less time.
- The services provided by NxtGen has also freed our tech IT team to concentrate on more value-added tasks.

Result¹

With the operations performing efficiently and improved quality, we have achieved good results after using the NxtGen services.

All the factors including (improved uptime, technical support, routine maintenance and availability of skilled resources) led to an increase in productivity of the Siyaram IT team in particular & business in general.

Testimonial 

“

Great organisations become great because they have visionary leaders, but to sustain the greatness, they need people on the ground to implement the vision effectively.

We believe NxtGen has this capability!

”

NxtGen has been a key success partner and a Value Investment to Siyaram Silk Mills. We have been associated with NxtGen from 2016 onwards, and this relationship has been fruitful. The team has been responsive, and the customer service is up-to-the-mark. With NxtGen's bouquet of multiple offerings, all the required services are available under one roof. This makes it easier for customers like us to carry out our IT-related tasks efficiently & effectively.

NxtGen team has the capability to deliver technologically superior services in the most agile manner & we look forward to a mutually beneficial long term relationship.
